The house we now call **APPLE COUNTRY BED& BREAKFAST** and was one of the first homes built in the “Okanogan Heights” area of Wenatchee. The home was built by the Sterling family who were fruit growers, they lived in the home for 35 years, when Theresa Calhoun brought the home and raised seven children.

At the time of construction, the home was on the highest point in the city of Wenatchee. It featured panoramic views of Mission Ridge, Badger Mountain, Saddle Rock and Burch Mountain.

The House has fifteen rooms ,plus basement along with a “Carriage House” with a one bedroom apartment. Angie and David Lawrence are your hosts. We will do everything we can to make your stay with us a pleasant experience. We currently offer five rooms in the main house, plus the “carriage House” to our guest. Three rooms and the “Carriage House” all feature private bathrooms. Two rooms share a bathroom with a classic full size claw foot bath tub, a perfect place to soak your troubles away. All rooms in the main house accommodate two, the “carriage house will accommodate four.
